MONTHLY OPERATING REPORT NOTES FOR DECEMBER 2023

On December 21, 2022 (the “**Petition Date**”), Core Scientific, Inc. and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**” or the “**Company**”), each commenced a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors’ chapter 11 cases are being jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) and Rule 1015-1 of the Bankruptcy Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the “**Local Rules**”). On January 9, 2023, the United States Trustee for Region 7 (the “**U.S. Trustee**”) appointed an official committee of unsecured creditors (the “**Creditors’ Committee**”) in these chapter 11 cases pursuant to section 1102 of the Bankruptcy Code. On March 23, 2023, the U.S. Trustee appointed an official equity committee (the “**Equity Committee**”) in these chapter 11 cases pursuant to section 1102 of the Bankruptcy Code. No trustee or examiner has been appointed in these chapter 11 cases. On January 16, 2024, the Bankruptcy Court entered the *Findings of Fact, Conclusions of Law, and Order (I) Approving Disclosure Statement on a Final Basis and (II) Confirming Fourth Amended Joint Chapter 11 Plan of Core Scientific, Inc. and Its Affiliated Debtors* (Docket No. 1749) (the “**Confirmation Order**”), confirming the *Fourth Amended Joint Chapter 11 Plan of Core Scientific, Inc. and Its Affiliated Debtors (With Technical Modifications)* (Docket No. 1722) (including any exhibits, schedules, and supplements thereto and as may be modified, amended, or supplemented from time to time, the “**Plan**”). On January 23, 2024, the Debtors filed the *Notice of Effective Date of Fourth Amended Joint Chapter 11 Plan of Core Scientific, Inc. and Its Affiliated Debtors* (Docket No. 1782), giving notice that all conditions to effectiveness of the Plan occurred and the Plan became effective (the “**Effective Date**”).

The following notes and statements of limitations and disclaimers should be referred to, and referenced in connection with, any review of this Monthly Operating Report (the “MOR”).

1. **Introduction.** This MOR is unaudited and does not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States (“GAAP”), and it is not intended to fully reconcile to the consolidated financial statements prepared by the Debtors. Information contained in this MOR has been derived from the Debtors’ books and records, but does not reflect in all circumstances presentation for GAAP or SEC reporting purposes. Therefore, to comply with their obligations to provide MORs during these chapter 11 cases, the Debtors have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. Accordingly, this MOR is true and accurate to the best of the Debtors’ knowledge, information, and belief, based on currently-available data. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than the period beginning on December 1, 2023 and ending December 31, 2023, or for the full year, and may not necessarily reflect the Debtors’ future consolidated results of operations and financial position.

2. **Reservation of Rights.** This MOR is limited in scope, covers the period beginning on December 1, 2023 and ending December 31, 2023, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Debtors’ chapter 11 cases. The unaudited financial information for this report has been derived from the Debtors’ books and records. The information presented herein has not been subject to all procedures that typically would be applied to financial information in accordance with U.S. GAAP. Upon the application of such procedures, the Debtors believe that the financial information could be subject to material change. The information furnished in this MOR includes normal recurring adjustments but does not include all of the adjustments that typically would be made for interim financial information presented in accordance with GAAP.

Given the complexity of the Debtors’ business, inadvertent errors or omission may occur. Accordingly, the Debtors hereby reserve all of their rights to dispute the nature, validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtors reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

3. **Basis of Presentation.** Although the Debtors generally prepare their financial statements on a consolidated basis, the MOR has been prepared on an entity-by-entity basis (excluding most intercompany eliminations) for Debtors Core Scientific, Inc., Core Scientific Acquired Mining LLC, Core Scientific Operating Company, Core Scientific Mining LLC, Radar Relay, Inc., Core Scientific Specialty Mining (Oklahoma) LLC, American Property Acquisition, LLC, Starboard Capital LLC, RADAR LLC, American Property Acquisitions I, LLC, and American Property Acquisitions VII, LLC. The financial information contained herein is unaudited, limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements for chapter 11

debtors issued by the UST.

The amounts reported in this MOR are as-of December 31, 2023, the end of the Debtors' reporting period. This MOR covers the period beginning December 1, 2023 and ending December 31, 2023.

4. **Accounting Principles.** The Debtors maintain their financial records according to GAAP, however the MOR does not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtors.

The Debtors generally prepare financial statements on a consolidated basis. To the extent that there are negative asset balances for an individual Debtor, such as accounts receivable and current assets, they may be due to some intercompany elimination transactions or adjustments in each specific Debtor's books and records.

5. **Currency.** Unless otherwise indicated, all amounts in the MOR are reflected in U.S. dollars.
6. **Consolidated Entity Accounts Payable and Disbursement Systems.** Cash is received and disbursed by the Debtors as described in the *Emergency Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue their Existing Cash Management System, (B) Maintain Existing Business Forms and Intercompany Arrangements, (C) Continue Intercompany Transactions, and (D) Continue Utilizing Employee Credit Cards; and (II) Granting Related Relief* (Docket No. 12) (the "**Cash Management Motion**") and the Debtors' receipt and disbursement of cash is consistent with the Debtors' historical cash management practices. Due to the consolidated cash management reporting system, certain cash payments may be paid out of a legal entity that is different than the legal entity at which the expenses were incurred. Also, certain cash receipts may be received in a different legal entity than the legal entity at which the accounts receivable is recorded. Disbursements attributed to each entity represent the entity on behalf of which payments were made, on a proportional allocated basis, from the consolidated cash management system.
7. **Supporting Documentation.** At the direction of the U.S. Trustee, the following schedules are attached to the MORs: (i) Statement of Cash Receipts and Disbursements; (ii) Balance Sheet; (iii) Income Statement (profit or loss statement); and (iv) Schedule of Payments to Insiders.

Statement of Cash Receipts and Disbursements. Based on guidance received from the Office of the United States Trustee in connection with the completion of UST Form 11-MOR Part 1, Cash Receipts and Disbursements, reported cash receipts and disbursements should exclude intercompany and debtor-to-debtor transactions. As a result, for those debtors with net intercompany cash outflows or inflows during the reporting period, the ending cash balances reported on Form 11-MOR Part 1 may not match the ending cash balances per the Debtors' bank statements or the Debtors' books and records. For additional information on ending cash balances per the Debtors' books and records, see the attached cash balances per MOR-1: Schedule of Cash Receipts and Disbursements.

Balance Sheet. Liabilities Subject to Compromise (“LSTC”): LSTC represent the Debtors’ estimate of prepetition claims to be resolved in connection with the chapter 11 cases. As a result of the chapter 11 filings, the payment of prepetition liabilities are subject to compromise or other treatment under a plan of reorganization. The determination of how such liabilities will ultimately be settled or treated cannot be made until the Court approves a chapter 11 plan of reorganization. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Prepetition liabilities that are subject to compromise under ASC 852 are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation or other events.

As noted, although the Debtors generally prepare financial statements on a consolidated basis, these MORs are prepared on an entity-by-entity basis. The Debtors maintain separate balance sheets in their books and records for the following entities: Core Scientific Acquired Mining LLC, Core Scientific, Inc., Core Scientific Operating Company, and Radar Relay, Inc. The Debtors, however, do not maintain separate balance sheets for the remaining Debtor entities. Consequently, the balance sheets included in the MOR for these Debtors reflect no balances.

Values in the balance sheet(s) attached hereto represent rounded numbers. Accordingly, subtotals may not agree to the summation of the rounded numbers presented.

Income Statement. As noted, although the Debtors generally prepare financial statements on a consolidated basis, these MORs are prepared on an entity-by-entity basis. The Debtors maintain separate income statements in their books and records for the following entities: Core Scientific Acquired Mining LLC, Core Scientific, Inc., Core Scientific Operating Company, and Radar Relay, Inc. The Debtors, however, do not maintain separate income statements for the remaining Debtor entities. Consequently, the income statements included in the MOR for these Debtors reflect no income.

Schedule of Payments to Insiders. This schedule provides additional detail for the period on page 1 of the MOR. For each insider payment made during the reporting period the following information is provided: Recipient; Date of payment or benefit provided; Amount of cash payment or market value of non-cash payment; and Reason for each payment made.

8. **Part 1, Cash Receipts and Disbursements.** Cumulative quarter-to-date for Q4 2023 disbursements are reported in the Cumulative figures in the MOR. Cumulative case to date total disbursements through December 31, 2023 are \$538,296,326.
9. **Part 2: Asset and Liability Status.** Long-term lease liabilities resulting from the Debtors’ office / location leases and equipment / fixed asset leases are reported as prepetition unsecured debt. Beginning with the April MOR, the (i) April 2022 \$60 million Bridge Promissory Note with BRF Finance Co, LLC and (ii) April 2022 \$15 million Bridge Promissory Note with B. Riley Commercial Capital, LLC (collectively, the “**Unsecured Bridge Notes**”), are also reported as prepetition unsecured debt, whereas the Unsecured Bridge Notes were inadvertently included

in prepetition priority debt on previous monthly operating reports.

10. **Part 3, Assets Sold or Transferred.** The Company regularly receives credits and/or coupons from Bitmain Technologies Ltd.'s reward and price protection programs. The Company subsequently redeems these credits and/or coupons for new ASIC miner acquisitions or sells them to third parties when they are not able to be utilized by the Company. The Company may recognize other income when the credits and/or coupons are redeemed in noncash acquisitions or sold to third parties.
11. **Part 5: Professional Fees and Expenses.** For purposes of the MORs, bankruptcy professional fees are considered approved if the applicable monthly fee statement has been served and the objection deadline with regard to such monthly fee statement has expired prior to the end date of the MOR period.

In December 2023, the Debtors inadvertently overpaid Weil, Gotshal & Manages LLP by \$16,678.55, which was returned to the Debtors in January 2024. Thus, this MOR reflects the overpayment for the month of December 2023.

12. **Part 7 Questionnaire.** Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases (the "**First Day Orders**"), the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of their employees, taxing authorities, insurers, critical vendors, and certain other prepetition creditors. Amounts paid pursuant to the First Day Orders are monitored as to limits provided in the applicable orders of the Bankruptcy Court governing payment of such prepetition obligations, and this report is available to the U.S. Trustee as required.

In the ordinary course of business, the Debtors' tax filings may extend past the normal deadlines and become late in some instances. When this happens, the Debtors arrange to complete the filings and address any related fines and/or penalties. There are no tax filings that are currently late where the Debtors are not also in dialogue with the related taxing authority to become compliant.

All postpetition borrowings since the inception of the case, other than trade credit, are borrowings made under the Initial DIP Facility or the Replacement DIP Facility.
